

My dear Friend,

You may know about the Divyabodhanam programme of the Orthodox Seminary. It has so far been able to impart theological training by correspondence and contact classes to more than fifteen thousand people, both men and women, in the Church who have all, in the past thirty years, received diploma & certificates from the seminary. The project has been remarkably successful, and in response to demands from our people, we expanded programme to the Degree level. In connection with the graduation ceremony (convocation) we are bringing out a souvenir, which will be, seen by thousands of people all over India. It will have informative articles by eminent scholars. For our new degree programme for the laity, we need some initial investment for text books and so on. We request your help through a suitable advertisement in the columns of the Souvenir which is planned to be released around August 2019. We are enclosing a Tariff List. I shall be personally grateful for your generous and kind help.

May God bless you.

Yours in the Love of Christ

Fr. Dr. T. J. Joshua

Director,
Divyabodhanam
Orthodox Seminary
Kottayam
